No. 3-80 P.

Sir,

In Submitting the correspondence noted in the margin, I have the honor to recommend that the Comptroller may be autho--rized to pass the Plague allowance of Ist class Hospital Assis--tant Abdul Khader of the Local Fund Dispensary at Hariar from the 4th October I896 instead of 4th November as published in Part II of the Mysore Gazette dated 23rd March I899, which is a clerical error.

The amount which is objected to by the Comptroller is -- only Rs.20/-and this is due onaccount of the error above pointed out. The Hospital Assistant entered upon his plague Inspection duties on the 4th October I896 and therefore he is entitled to the extra amount claimed by him and supported by the Deputy Commissioner Chitaldroog District.

I have the honor to be
